Greenrock Writers Retreat offers 9th-12th grade students an opportunity to explore their writing interests through workshops that are designed to encourage participants to view writing as both personally meaningful and pleasurable, as well as to improve participants’ writing abilities.

Participants are immersed in a community of writers, spending four days writing on the campus of Michigan State University and working with National Writing Project Teacher-Consultants.

Do you enjoy writing? Then join us this summer!

Thursday, June 26 (5:00pm) - Sunday, June 29 (12:30pm)

Author Celebration: Sunday, June 29 at 11:00am

Registration: March 14 – June 5

Visit “Youth Programs” at http://rcwp.msu.edu for more information.
